</td>
</tr>
<tr>
<td>Email Assignment:
I will: Send an email

So I can: Share information with my teacher.

I know I have it when: My teacher receives the email I sent.</td>
<td>Email Mrs. Outland
• Subject: COMPASS software
• Body: Send Mrs. Outland a screen shot of the software Compass. If you don't have the software installed, say so. If you have the software, open it, and take a screen shot of the log-in screen.
Include a closing.
Use the signature block.</td>
</tr>
<tr>
<td></td>
<td>When the assignment above is finished, Continue to the next item.</td>
</tr>
<tr>
<td rowspan="2">Group Project—due Today.
1. Work with one other person to develop the graphics for the project

I will: Use industry software
So I can: design animations for a customer.
I know I have it when: I've designed images to match my sketches.</td>
<td>Finish the project for the pop rock band called Neon Water Fall
1. Finish creating all the following graphics to be created:
a. A Web Page banner for the Neon Waterfall's website.
b. A t shirt graphic for the band's merch
c. A graphic for the side of the band's van (this can include pictures of the band member's faces, there are three girls in the band, you can also create their faces however you want)
d. A stage design (this means the layout of the stage, include things like lighting, laser lights, televisions, speakers, etc) get creative but make sure it follows the theme of the band's genre</td>
</tr>
<tr>
<td>Create a PowerPoint using all the graphics for the band.
1. On the Title slide put the band name and logo.
2. Use the web page banner at the top of each slide.
3. Create a slide for the bands merch.
4. Create a slide for the bus and the graphic on the side of the bus.
5. Add transitions to the slides.
6. Save as: Neon Waterfall. Upload to Google Classroom.</td>
</tr>
</table>
